

Dear Bill,

Thanks for the fantastic job you did treating my tennis elbow. I had originally gone to another clinic where my symptoms actually worsened. At Seneca, you took the time to listen to my concerns and work with me to create a personalized treatment plan. As a result, I made a full recovery in a very short amount of time! I've been symptom-free for over a year now and enjoy pursuing my artwork and digging in my garden without pain!

Thanks Seneca!
